With regard to payments in the USA, Australia and Canada, exchange rates fluctuate quite often, so we will trust individuals to use a reasonable exchange rate when sending their Dollar cheques for the Sterling Equivalent of the amounts due, but as a rough guide, in February 2010 the exchange rate of US\$1.56 to one pound sterling (1 GBP), AUS\$1.80 to one pound sterling (1 GBP) and CAN\$1.68 to one pound sterling (1 GBP) Euro€1.14 to one pound sterling (1GBP) were current, but please check the latest exchange rates before sending your cheques.

We hope that these arrangements will make payment for books easier and cheaper for everyone concerned. Cheques **MUST BE PAYABLE TO THE INDIVIDUAL ADDRESSEE**, as we do not yet have any foreign bank accounts in the name of the Society.
